REPLENISHING HOLISTIC TREATMENT

A holistic journey into the heart of PHYTOMER's DNA to recharge the body's batteries.

This signature massage was designed to rid the body of every possible feeling of stress. Deep tissue massage techniques on targeted muscle groups have been specifically developed to restore harmony and fluid movement to the body. Professional maneuvers targeting areas where tension is felt complete your relaxation with an invigorating, energy-releasing effect.

Deeply relaxing and re-energizing, this new body treatment offers a unique multi-sensorial experience based on OLIGOMER®, PHYTOMER'S mythic active ingredient with re-mineralizing and fortifying benefits.

Its specific massage produces a fully encompassing holistic approach from the tips of the toes to the ends of the hair. It provides perfect balance between light strokes and presses and between deep tissue massage and a gentle hand massage for an instant rejuvenating effect and incomparable relaxation.

ENERGIZING BODY MASSAGE

The essential art of massage as part of an invigorating treatment to eliminate tension for a relaxed and energized body.

Trésor des Mersis distinguished by its relaxing and invigorating 100% manual technique. The originality of this treatment is also based on customizing the massage: two elixirs help provide a customized treatment tailored to the needs of each client. The delicate textures of the products envelop the skin with an intense feeling of softness and all the revitalizing benefits of seawater.

Results: The body is drained, relaxed, energized! An exceptional treatment, feels like a trip to the ocean...

WRINKLE CORRECTION FIRING TREATMENT

Three key steps in a very high-performance treatment to resurface the skin, fill wrinkles and restructure the face.

At the high-end of scientific expertise and excellence in facial care PHYTOMER EXTENDED YOUTH offers unique results paired with a precious moment of total well-being.

Thanks to three high-performing professional products and a unique procedure which optimizes the effectiveness of their ingredients, this treatment works in 3 phases:

- it resurfaces the skin using a new generation exfoliant,
- it corrects wrinkles using a specifically formulated massage wax,
- it restructures facial skin by combining the use of specifically concentrated ingredients with a high-tech smoothing, firming mask.

Results: a younger looking face, wrinkles are less visible and skin is firmer and more radiant.

ANTI-POLLUTION SKIN FRESHNESS TREATMENT

Perfectly adapted to city-dwellers and smokers! It is ideal for anyone living a stressful life in a high pollution area. It is perfectly suited to dull and tired skin revealing early fine lines and dark spots.

A fresh breeze blows through the spa, depolluting the skin of city-dwelling women with the effect of a vacation by the sea.

The skin is intensely hydrated, signs of fatigue are erased, the complexion is more even and the skin regains its freshness.

- We also offer personalized treatments.
